*Standard

DESCRIPTION

The DVBKSX-LED14 is a versatile fixture that can be used in industrial and architectural applications. The fixture is available in custom colors and has a variety of globe and guard accessories. Not for use in hazardous locations.

APPLICATIONS

Entrances

Stairwells

Tunnels

Service Areas

Restaurants

Elevator Shafts

FEATURES

- Sleek, modern look with the same ruggedness as the original DVBKS fixture.
- 10 minute retrofit. Retrofits to existing 4" round/octagon boxes.
- Polycarbonate lens can be easily replaced with glass globe and guard to provide a different look.
- Precision die cast aluminum housing with powder coat paint finish for industrial and architectural applications.
- Grey polyester powder coat paint finish for protection against oxidization.

ACCESSORIES

RDA Lighting carries a diverse line of durable and cost efficient glass globes. They come in various finishes, which include impregnated colors.
